INSEAD

The Business School for the World®

The INSEAD Corporate Associate Programme

Your organisation has an opportunity to be a corporate associate of INSEAD, bringing you into a group of leading companies who support the school's global mission.

A partnership with INSEAD delivers the world - literally. With its unparalleled intercontinental presence and history of promoting diversity and developing global talent, INSEAD is the leader in management education. INSEAD works closely with corporations that want to develop the international perspectives and management skills of their executives, while advancing their brand and identifying new talent. With three campuses in strategic geographic locations, INSEAD is a unique window to the world for its corporate associates.

1,200+

MBA and EMBA students

50,000+

alumni in more than 169 countries

148

renowned faculty members from 40 countries

3

campuses, in Europe, Asia and the Middle East

For an annual contribution of €20,000, corporate associates enjoy benefits built upon the school's unique global view and its entrepreneurial roots. These include:

Powerful Presence	• Enhanced visibility for your organisation, whose brand will be displayed across INSEAD's communication platforms.
Tapping into Global Talent	• Privileged scheduling opportunities for recruiters who seek access to our global talent pool, from MBA graduates to C-Level executives.
Learning Horizons	• Access to world class academic content, through webinars and INSEAD Knowledge newsletter.
Networking Opportunities	• Privileged networking opportunities during on- and off- campus INSEAD events.
