Quotes from recruiters

“The day was full of exciting encounters and fascinating ideas that INSEAD students came up with as they listened to presentations and thoughts about our projects and our future initiatives”

“We found the results of the day outstanding, especially when it comes to the overall level of the candidates and the organization of the fair.”

“We found the fair to be an excellent way to meet a number of very talented students and to raise awareness about our company and the opportunities in the region.”
