### **Invest Europe**

*Invest Europe is the association representing Europe's private equity, venture capital and infrastructure sectors, as well as their investors. Our members take a long-term approach to investing in privately held companies, from start-ups to established firms. They inject not only capital but dynamism, innovation and expertise. This commitment helps deliver strong and sustainable growth, resulting in healthy returns for Europe's leading pension funds and insurers, to the benefit of the millions of European citizens who depend on them. Invest Europe aims to make a constructive contribution to policy affecting private capital investment in Europe. We provide information to the public on our members' role in the economy. Our research provides the most authoritative source of data on trends and developments in our industry. Invest Europe is the guardian of the industry's professional standards, demanding accountability, good governance and transparency from our members. Invest Europe is a non-profit organisation with 25 employees in Brussels, Belgium. For more information please visit [www.investeurope.eu](http://www.investeurope.eu)*

### **INSEAD**

*As one of the world's leading and largest graduate business schools, INSEAD brings together people, cultures and ideas to change lives and to transform organisations. A global perspective and cultural diversity are reflected in all aspects of our research and teaching. With campuses in Europe (France), Asia (Singapore) and Abu Dhabi, our 146 renowned Faculty members from 34 countries inspire more than 1,300 degree participants annually. Around the world and over the decades, INSEAD continues to conduct cutting edge research and to innovate across all our programmes to provide business leaders with the knowledge and sensitivity to operate anywhere. These core values have enabled us to become truly "The Business School for the World."*
