FEDERAL DIRECT LOANS AT INSEAD

INSEAD participates in the William D. Ford Federal Direct Loan (Direct Loan) Programme.

INSEAD’s Europe and Asia campuses are registered with the US Department of Education. INSEAD MBA and EMBA (Europe and Asia Sections) students (US citizens or permanent residents) are eligible to apply for Federal Direct and Private Education Loans.

Important Restriction on the Exchanges:

- Wharton and Kellogg exchanges are not allowed for those taking US Federal Direct loans as per US Department of Education regulations. Exchange restrictions apply as soon as you take any portions of the Stafford or PLUS loans. No exceptions can be made.
- Exchange with CEIBS (China) is not allowed.

Benefits of the Direct Loan Programme:

- Income Contingent Repayment Plan (in addition to the Income-Based Repayment Plan)
- Public Service Loan Forgiveness Program
- No interest charged (for up to 60 months) during qualifying periods of active duty military service (for loans first disbursed on or after October 1, 2008)

The maximum amount of the Direct Stafford unsubsidized loan is $20,500. The loan interest rate is fixed at \(5.84\%\) for loans disbursed on or after 1 July, 2015. Federally mandated origination fees of 1.051% are deducted from your loan at disbursement.

The Budget Control Act (BCA) of 2011 was signed into law on 2 August, 2011. This Act makes two changes to the Federal Direct Stafford Loan Programme:

- Loss of Subsidized Loan Eligibility for Graduate and Professional Students

Effective for loans made for periods of enrollment (loan periods) beginning on or after 1 July 2012, graduate and professional students are no longer eligible to receive Federal Direct Subsidized Loans. The terms and conditions of Direct Subsidized Loans received by any student for loan periods beginning before 1 July, 2012, for either graduate or undergraduate study, are not affected by this change.

The annual loan limit for graduate and professional students remains unchanged at $20,500, but this amount will now be limited to Direct Unsubsidized Loans. Your Federal Direct Stafford loan will be $20,500 unsubsidized.

- Termination of the Up-Front Interest Rebate

The law eliminates the authority of the Department of Education to offer any repayment incentives to Direct Loan borrowers to encourage on-time repayment of loans, including any reduction in the interest rate or origination fee. As a result, the up-front interest rebate that has been provided to Direct Loan borrowers at the time of loan disbursement will no longer be offered on any Direct Loan. The law continues to authorize the Department of Education to offer interest rate reductions to Direct Loan borrowers who agree to have payments automatically electronically debited.

**Satisfactory Academic Progress**

All students applying for or receiving US Federal Aid (unsubsidized federal Direct Stafford loan and federal Direct graduate PLUS loan) must progress satisfactorily towards completion of a chosen academic programme in order to remain eligible to receive US federal loan support. Failure to maintain satisfactory progress may result in cancellation of loans, and the student may have to repay any funds already received.

Please follow the link to the Satisfactory Academic Progress Policy.

**Return of Title IV Funds Policy**

US federal law specifies that if a student withdraws from a programme of study, INSEAD must complete the Return of title IV (R2T4) calculation and arrange for any unearned loan funds to be returned to the US Department of Education. If a student who receives financial aid withdraws from the programme, INSEAD will recalculate his/her Financial Aid eligibility based on the period of attendance. As a result, a student may be required to pay back money to the US federal Government from the Federal Direct Stafford unsubsidized or Federal Direct PLUS loans s/he may have received. INSEAD may also have to repay any funds received for tuition to the US Federal government. As such a student may be requested to make an additional fee payment to the school to replace these funds. Please follow the link for the Return of Title IV funds policy.
